

**Kanton Zürich
Bildungsdirektion
Mittelschul- und Berufsbildungsamt**

START! Berufsbildung

**Preparatory course for
vocational training**

START! Berufsbildung is a course to prepare people who are new to Switzerland for vocational training.

This course is right for you if you

- are new to Switzerland and live in the Canton of Zurich.
- have a residence permit B (EU/EFTA/third country) or C (EU/EFTA/third country).
- are between 15 and 40 years old.
- have completed compulsory education.
- do not yet have a vocational or university degree and would like to learn a profession.

This is what you will learn in the course

- Improve German skills
- Mathematics and computer science
- Study skills
- Information on the Swiss education system and job market
- Support in choosing a profession and finding an apprenticeship
